**PLAINTIFFS AZURE NETWORKS, LLC AND TRI-COUNTY EXCELSIOR
FOUNDATION'S NOTICE OF APPEAL**

Notice is hereby given that Plaintiffs Azure Networks, LLC and Tri-County Excelsior Foundation (collectively "Plaintiffs") in the above-captioned case hereby appeal to the United States Court of Appeals for the Federal Circuit.

Plaintiffs appeal the Final Judgment of Non-Infringement (Dkt. No. 296), entered in this action on May 30, 2013, and the orders and decisions entered in this case, including (a) the Court's Memorandum Opinion and Order (Dkt. No. 266) ("Opinion"), which contains the Honorable Magistrate Judge Love's construction of disputed terms and phrases in U.S. Patent No. 7,756,129, entered on January 15, 2013, by way of the Order entered on May 20, 2013 (Dkt. No. 291) adopting with certain clarifying comments the Opinion, overruling all objections to and denying Plaintiffs' Motion for Reconsideration of the Opinion filed pursuant to Fed. R. Civ. P. 72(a) (Dkt. No. 273) on January 30, 2013, and (b) the Court's Order entered on March 6, 2013 (Dkt. No. 286) dismissing Tri-County Excelsior Foundation as a party to this matter for lack of standing to sue for infringement.

As such, and pursuant to Federal Rule of Appellate Procedure 4(a)(1)(A) (“the notice of appeal required by Rule 3 must be filed with the district clerk within 30 days after entry of the judgment or order appealed from”), Plaintiffs seek to challenge the claim construction order, which resulted in a judgment of non-infringement, and to challenge the dismissal of Plaintiff Tri-County Excelsior Foundation from the case.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Eric M. Albritton", written over a horizontal line.
